2019-2020 PARTNERSHIP OPPORTUNITIES
THE CALIFORNIA OPTOMETRIC ASSOCIATION
For more than a century, the California Optometric Association (COA) has been dedicated to making optometry a stronger, better, and more visible profession. As the largest state optometric association in the nation, COA has worked diligently on all fronts to ensure that those who have earned the title of doctor of optometry have the opportunity to practice their profession to the fullest extent possible.

**Mission Statement:** The mission of the California Optometric Association is to support and advance the profession of optometry to assure quality health care for all Californians.

**Vision Statement:** The vision of the California Optometric Association is that all Californians utilize a doctor of optometry as their primary eye care provider, collaborating in their overall health care.
The California Optometric Association is the only organization dedicated to promoting and protecting the profession of optometry. We have had fantastic success over the years:

✓ Scope – all medical diagnosis and treatment you provide is because of COA’s efforts
✓ Limiting opticians and medical assistants from performing refraction
✓ Protecting doctors from employment by a corporation
✓ Timely reimbursement under managed care
✓ Prevention of costly patient notification mandates
✓ Promoting optometry within managed care entities

COA works for all optometrists – looking to take full advantage of these future opportunities:

➢ Opening up managed care networks
➢ Guiding technology development and utilization
➢ Positioning optometry as primary eye care providers
➢ Opening up of new modes of practice

COA will host its 2019 Monterey Symposium November 15-17, at the newly-renovated Monterey Marriott Hotel and Conference Center.

Over 600 ODs annually converge in Monterey to take part in world-class education, networking with colleagues, and an exhibit hall filled with optometry's latest products and services!

Monterey Symposium 2019 is the place to share new tools and techniques and market your products and services directly to doctors of optometry and their staff.
The California Optometric Association’s Optowest, the premier conference created by eye care professionals for eye care professionals, will be offered as three regional meetings in 2020, under a one-day format at each location.

COA is governed by a 10-member board of trustees and the House of Delegates (HOD). As COA’s official policymaking body, the HOD consists of COA members from each of the local optometric societies, California optometry schools and colleges, and COA sections. Delegates meet at this annual meeting to:

- Debate and vote on COA policy resolutions and bylaws amendments
- Adopt the COA budget
- Elect COA’s officers and trustees

The 2020 COA House of Delegates will meet February 21-22, prior to Optowest Los Angeles.
