CAL-OPAC Contribution Form

Cal-OPAC was formed to represent your interests in Sacramento and to help establish vital relationships with aspiring and existing California elected officials. Cal-OPAC is a bipartisan committee that supports candidates and legislators at the state level who understand the challenges of practicing as an optometrist in California. With YOUR donation to Cal-OPAC, the California Optometric Association can ensure that public officials are educated about the vital role optometrists play in the healthcare arena!

State law requires the following information for each contribution made to Cal-OPAC. If you are paying for the Cal-OPAC contribution from a business account, then the contribution is actually from the business and must be reported as such. Please complete the applicable information below.
